why we always have a customer service support team who are on hand to answer your call, email you back or respond by live chat.

Respect for People : At Pro Handyman one of our very important core values is to treat people with the upmost respect. We follow this ethos with not only our loyal customers but with everybody that works for Pro Handyman. All of our tradesmen are punctual, polite and courteous and do everything they can do ensure our customers have a smooth and pleasant experience.

A Will to Win : We always exhibit a strong will to win in the marketplace and also in every aspect of our business.

The Pro Team
Mustafa Ozalemdar (CEO) has been in the handyman and building services business for 18 years and Pro Handyman Services has been the focus of his career. He believes there must be a passion connected to this business as well as a good understanding of what the customer wants. His meticulous and methodical approach has been absorbed through the company and through osmosis has been ingrained in all staff and tradesmen lucky enough to wear the Pro Handyman badge. What began as a one-man band is now a Pro team with over a dozen employees and growing.
