

913 S. Burnside Avenue
Gonzales, Louisiana 70737
Others

Phone: (225) 621-4300

We're the company that built the local phone system and today we're still one of the most innovative communication companies in the area providing an entire suite of services including TV, Internet and phone, and offering one of the only 100% fiber-to-the-home networks in the country. In addition to telecommunications services, EATEL offers data back-up and recovery services to the business community

through our data center product lineWebsite:
