The amamus team bring their expertise of marketing, branding and operations to work collaboratively with companies on a mission. Their speciality coffee, which is hand-roasted in the UK, helps fuel ambition in the most successful, value-driven organisations. They set new standards in quality, service and taste by taking a bespoke, partnership approach with like-minded companies. amamus means 'we love' in Latin and these two words underpin everything they do. Their ambition is to be innovative and exciting within the coffee sector, and it's their deep love for what they do that drives them to be the best speciality coffee supplier in the UK. To start

your personalised coffee journey, get in touch with the amamus team today or learn more about their 'off the shelf' coffee packages. The Business Coffee Process

Step 1 - Get in contact with our experienced team of business coffee enthusiasts to tell us know your office coffee vision.

Step 2 - We'll set up a meeting to make sure we're all on the same path, don't worry, we know you're busy, so can do this over a video call if you'd prefer.

Step 3 - We will work together on your machine preference allowing us to shape everything from the business coffee flavour, marketing and more.

Step 4 - We will start with the choice of machine and then onto the sourcing and roasting of your speciality coffee beans.

Step 5 - Your perfect business coffee solution will be delivered.

Step 6 - We don't stop there, our after-sales service ensures that you are never low of your speciality coffee beans and maintenance of your coffee machine.
