

Colour & Texture Ltd

Unit 6, 79 Farleigh Rd
Warlingham, Surrey CR6 9EJ
United Kingdom

Phone: 0800 999 4119

Colour & Texture Ltd provide expert polished plastering and Venetian plastering services to homes and businesses across London, Surrey, Kent and the whole of the UK. We are proud to serve an ever-growing base of happy customers who we've helped transform their properties, breathing life and character into their rooms through the unique and magical properties of marble plaster. We are Greater London's sole distributors of the world-famous BeriCalce range of authentic Italian polished plasters and related products. Our decorative plasters, powders, colourings and other related products are environmentally friendly, low in Volatile Organic Compounds and extremely durable, making them perfect for any type of surface in

any environment. Our polished plaster experts have years of experience in the art of Venetian polished plastering and settle for nothing less than perfection, ensuring that every project results in a stunning and luxurious work of art. With expertise in all types of commercial and residential projects, we are happy to work with any homeowners, architects, interior designers, property developers, property managers and any other enterprise looking to add flair and panache to their property. Call us today on 0800 999 4119 to discuss your requirement and obtain a free quote.
