SharesInside offers both investors and shareholders a truly digital communication platform. With our free App (Download from the Google Play or Apple Store) public companies, fund managers and start-ups have now a direct communication channel to find new investors and keep the existing ones on board. With offices in the UK, South America, Japan, Switzerland, Australia, and across the world

SharesInside.com bridges the gap between companies and investors. Download our free app for investors today at Google Play or AppStore. If you like to join as a Fund Manager, a listed company or start-up, just contact us at info@sharesinside.com www.sharesinside.com
