

Ridat Company

Unit 1&4 Benlow Works
Silverdale Road
Hayes, Middlesex
United Kingdom

Phone: +44(0)2084586485

Ridat's range of machinery are robust and well-engineered, with many of the earlier versions of the vacuum forming machines and related ancillaries like blister sealers and roller presses still operating satisfactorily in over 65 countries around the globe. Ridat thermoforming machines were and still are acknowledged as the work-horses of the industry.
