We are responsible garden waste disposal experts in Torbay. Our business provides an easy and environmentally-friendly collection service for your garden waste. We deliver our empty bags to your home, you simply fill them up, and we then collect and dispose of the waste. We clear garden waste of all shapes and sizes. From cutting back shrubs to strimming and clearing paths, we'll get the job done. We are trusted Government registered waste carriers meaning that once we collect your rubbish, it is a weight off your mind. We are a small business with a cost-effective, time saving service with a personal touch. We know that every home is different, so we are flexible with delivery and collection times. To enquire or book our garden waste collection service, call us today.
