Toffeln proudly offers a wide variety of footwear that is designed for healthcare professionals. We are devoted to creating fully compliant, comfortable, and lovely looking shoes, such as nurses shoes, clogs, and trainers. These are available in different colours, styles, and sizes, bringing you the utmost comfort during your work. Our partnership with the University of Salford, gives us the advanced scientific knowledge to create comfortable, supportive and fashionable footwear. You can have your long working shifts feel shorter with our footwear!
