

Fixation Surface Repair Specialists Limited

195b Ardleigh green road
Essex Rm11 2sd
United Kingdom

Phone: 08455443752

At Fixation their aim is to help cut costs for homeowners and reduce profit loss for businesses. We have a genuine care for the environment and so the reduction of waste going to landfill is one of their main considerations. With increasing pressure on all of us to reduce waste, Fixation is working hard to repair the many items that would normally end up in a landfill site due to accidental damage or just everyday wear and tear.
