Are you on the lookout for a source of data on some private company in the UK?

Pomanda offers the most comprehensive company information database by supplementing Companies House data with over 1 billion unique data points.

Pomanda works on a freemium model with the majority of its services available to the users for free except for business credit reports, which require a nominal access fee. Pomanda specialises in providing valuable data on the size and success of any UK company — from the smallest to the largest. Pomanda helps in lead generation, gaining industry insights, evaluating a business, instant credit reports, company health checks and financial estimates. Visit : <https://pomanda.com/>
