Nationwide Mobility has been helping thousands of people just like you for over 25 years. Our wonderful range of specially designed baths offer superb solutions to the difficulties you may be currently facing and are affordable too. Our range features ten very special products, each designed with you in mind. There are four ergonomically designed handmade baths to choose from; The Simplicity lie-down bath, The Aquabath, Mini Marvel, and The Ultimate walk-in shower bath. We offer two stylish, safe and affordable walk-in showers; The Easy Access Shower and The Exquisite. The beauty of each of them is that they can be fitted to replace your existing bath in just one day*. Our installations are carried out by fully trained installers to ensure the highest standard of workmanship and customer service. There is also our fantastic range of bath lifts which can be used with your existing bath: The Bathmate, Mermaid bath belt and The Orca. With so much choice available, you'll be pleased to know that our helpful and experienced advisors are on hand. They will listen carefully to you about your difficulties and show you our complete range of products so that you can decide which one will best suit your needs.
