If you are a business owner, whether self employed or a director of up to 250 staff,
~~then the FSB should be your very FIRST~~ organisation to consider -
Just ask any of your contacts and colleagues that are members!

The membership comes complete with a professional and speedy callback Business and Legal helpline for to use to answer all your questions.

And inclusive legal defence as a right of Membership on such topics as Employment , HR, HMRC Investigation, Licences and Criminal Prosecution defence (you cannot buy this support - not for any cost)

Important legal documents such as contracts and t&c's letters and assessment in all areas for immediate use.

PLUS inclusive protection to avoid and support you through Employment and Tax Investigation which you may already pay for but why pay ? -

We are not for profit making and have business partners who could save even more.

As the most HEARD organisation you too could be part of a group who only has small business interests at heart.

Brand Grade: Grade One
