925 Punt Road
South Yarra, Victoria 3141
Australia

Phone: 03 4050 7720

Pest Control South Yarra is a well-renowned pest control company that serves residential and commercial customers. We conduct pest inspection and removal by using top-quality products, proven techniques, and the latest tools. We even provide customers with tips to prevent pest infestations in the future once the pest treatment process gets completed. Before reaching your premises, we inform you about how to arrange furniture and other items so that we can do our job in a hassle-free manner. We care about the safety of children and pets, and so, we don't use any product that contains harmful chemicals. Our pest control technicians put their best foot forward while discarding pests from your property. Honest, Ethical, and
