Live Medspa is the realization of our founders' dream to improve people's lives by achieving superior results and improving their physical appearance. Live Medspa's commitment to using the latest technology, top-of-the-line products, and outstanding customer service are the pillars to our success and a healthier, more confident you. Our Medical Director and Nurse Practitioners have worked together for more than 15 years in Doral and the surrounding Miami area, and have over 55 years of combined experience in the medical field.
