HAIR RESTORATION

2000 Richard Jones Rd Ste 220H
Nashville, TN 37215
USA

Phone: (615) 593-0611

Global Center for Hair Restoration has assembled an elite team of hair-restoration experts who can help you achieve your hair-growth goals. Whether you're looking for a surgical or non-surgical hair-restoration solution, we offer everything from medical management to the most-advanced surgical procedures for both men and women. Patients come to our Nashville, TN office from across the globe because we're committed to providing exceptional patient care and outstanding results. With over 50 years of combined experience, our hair-restoration specialists not only treat patients, they also train clinicians on cutting-edge techniques and methods of treating hair loss.
