Bayside Medspa, formerly Ecstasis Healing, Wellness & Aesthetics, is an organization founded in ethical precepts and committed to providing patient-centric care. Bayside Medspa shall work to be trusted by patients, be creators of positive change, and a valued partner in our community. We shall achieve this through the delivery of excellent clinical quality, patient safety, service, and a continuous commitment to research and education. Bayside Medspa will fully engage patients in their self-care and wellness. The time to live your best life is now. We offer innovative aesthetic treatments to help you look and feel your best, including cosmetic injectables, microneedling, ZO Skin Health and more. Contact us today to book your appointment.
