

ProStyle Paving And Masonry long Island

2097 Lakeland Ave
Ronkonkoma, NY 11779
USA

ProStyle Paving And Masonry is a professional and registered contractor in Long Island operating mainly in Suffolk County and surrounding counties. Please contact us for further information if you live outside of these areas and would want to use our services. All varieties of driveways and patios, including asphalt, paving stones, gravel, chippings, and poured concrete solutions, are installed and repaired by experts. ProStyle Paving And Masonry offers a wide range of masonry services, including repairs, new construction, walling, fireplaces, chimneys, stucco, outdoor walling, and elegant stone features such as water fountains. The ProStyle Paving And Masonry staff is certified and trained to perform masonry and asphalt surface repairs and installations to approved standards while following to all safety and state legislation. If you'd like to learn more about ProStyle Paving And Masonry or discuss your driveway or patio project, give us a call today. We'd be pleased to discuss your project with you. Phone Number: 631 660 8965
