For over 140 years we have been proudly serving our community as a not for profit, non denominational cemetery. Through the years we have expanded our services to include a local on site crematorium and monument sales. Most recently, we have become a fully licensed funeral establishment and offer transfer services, direct cremation and burial. You are welcome to contact us or visit in person (appointments are recommended). Our friendly and professional team members can answer any questions you may have regarding our services, pre-planning or your at need death care.
