Yum Street Catering are mobile event, street food caterers, providing pop up street food catering services at events of all sizes & form, large festivals to smaller private events like weddings, birthday, corporate events, private parties and more. We love street food and catering at events, Yum Street really delivers our passion for event catering. But we don't just like one type of food we genuinely love street food from all around the world. So Yum Street is about catering all kinds of foods from Indian to hot dogs we have developed menus and brands to deliver real street food concepts to events. We have created some great value street food catering packages for each of our concepts. We come to your event with a pop up street

food stand or our vintage food vans. Cook the food live and serve the your guests their food the way they would like it as if they were at a street food market. From epic Indian to OMG duck burgers, our menus do not conform to the norm. Pizza Fries, Nacho dogs, curries with a British twist and much more will leave your taste buds and mind blown. We have created menus that are genuinely out of the box. We only purchase our ingredients from reputable suppliers and where ever possible we source locally in Hampshire. Our burgers for Kwackers and Da Burger are produced and developed by a local butcher.
