At The Essex Will Company Limited, we know that you care about your legacy, and what you leave behind for the ones you love and care about. Our end of life planning services and expert will writers can help you prepare for the unexpected by building a trust of assets to make sure your loved ones are looked after in the event of the worst. Our professional legacy planners have over 25 years of experience with will writing and lasting power of attorney to help you manage your estate and assets in your final years should you unfortunately lose the capacity to do so. If you need professional will writers or legal and finance services in Essex, our prepaid funeral plans could be for you, letting you decide everything around your passing ceremony and beyond so you don't have to leave such saddening decisions to your family once you pass. We also offer services from expert local legacy planners, and landlord planning.
