

Solar Company Scotland

96 Rosemount Viaduct, Aberdeen AB25 1NX

United Kingdom

Solar Company Scotland are a team of MCS approved solar installers, engineers and electricians offering a premium solar and renewables service in both the domestic and commercial markets. Based in Aberdeen and Edinburgh with installers and surveyors across different parts of the country. Solar and renewables are very much the future, the quality of installation is paramount in relation to the performance of the products. We have the experience and expertise to ensure you get the very best from any investment that you make! If you have any questions don't hesitate to contact us via the telephone or email, and we offer free consultations with no hard sales approach. The products sell themselves, we aim to explain their benefits in detail and let you decide in your own time. Please call 01224 007142 or visit
