The “DCD” in DCD Law stands specifically for DUI & Criminal Defense Law. DUI and criminal defense is 100% of my practice. Nothing else. DCD Law is committed to serving you and your loved ones. I myself handle all of my cases personally, and I am always easily accessible to my clients. From day one, I give clients my cell phone number so that I can be the most accessible even when out of the office. As most of my clients will tell you, I will always call or email back without delay.
