Rolling Stock specialise in bar and catering trailers with a relentless focus on both price and quality. We offer trailers to hire; trailers to buy from stock and trailers custom built to your specification. With this focus we are able to offer highly competitive pricing. If you've got a specialist requirement we'll work closely with you and our manufacturing partners in China. We'll provide you with realistic 3D visualisations so you can be absolutely sure your trailer will meet your requirements and expectations in every detail. We welcome customers, by appointment, to view stock or discuss their plans.
