Eyelashcure is a trusted Lash Artist/educator who has been in the Lash Industry for 5 years. We offer semi-permanent eyelash extensions made from synthetic mink fibres which are attached to each natural lash 1 by 1, 100% safe and 100% damage free. The extensions cater to everyone's needs, regardless of size, and are a great way to self-care. "You can take customized lash training courses in the convenience of your home. At Eyelashcure Artistry, we are dedicated to providing each customer with a unique and personalized lash journey while upholding the finest standards in the lash business. We provide extensive yet simple-to-follow training.
