Experience the confidence-boosting effects of flawless permanent makeup with Nova Line Permanent Cosmetics. Our highly-trained specialist, Yelena Popova, has 20 years of experience in the industry and is recognized as one of the top permanent makeup artists in Toronto and Canada. Whether you're looking to enhance your lips with lip blush, perfect your eyebrows with microblading, or camouflage scars with repigmentation, our team is dedicated to providing safe and beautiful results that last. At Nova Line Permanent Cosmetics, we pride ourselves on using our own unique techniques that no other professionals use, ensuring that each client's experience is customized to suit their individual needs and tastes. We understand that permanent makeup is a big decision, which is why we offer

comprehensive consultations to discuss your goals and concerns before beginning

any procedure. In addition to our services, we also offer advanced training courses for those looking to enter the permanent makeup industry or expand their skill set. Our courses range from 1-7 days in length and cover a wide array of topics and procedures. Contact us today to schedule your consultation and discover the transformative power of permanent makeup.
