

Hall's Plumbing

1410 Shelton Avenue
Statesville, NC 28677
USA

Phone: (704) 878-0039

If you're tired of being disappointed by the professionals you've worked with in the past and you're ready to experience what real customer service is all about, get in touch with us at Hall's Plumbing Inc. We proudly serve the Mooresville, North Carolina area and are here to meet all of your plumbing needs, whatever they may be. We fix water leaks and water heaters. We also install gas lines, clean sewers, perform video drain inspections, install water treatment systems, and much, much more. If you'd like us to help you with your plumbing project, just give us a call!
