Durham, County Durham DH1 1DH
United Kingdom

Phone: 1917439005

Durham Roofing Company is an exceptional roof repair firm covering all commercial and residential projects in the Durham region. Our team provides comprehensive roofing service for residential and commercial customers across Durham city, County Durham, and the UK. We aim to provide the best materials within our clients' budgets. We work well with businesses of all sizes, housing associations, private homeowners, and schools alongside many other sectors. Over the years, Durham Roofing Company has built a wealth of experience and knowledge across all segments of roofing. Our experts offer vast roofing services from flat roofs, corrugated metal roofing, rubber roofing, roof tiling, slate roofs, and many more. Get in touch with our professionals to talk about our numerous roofing services.
