We are recognized leaders in the artful science of aesthetic training, treatments and technologies. Clearskin Institute of Laser Aesthetics in Phoenix, AZ was established in 2004 as a national aesthetic training center and full-service non-surgical aesthetic facility. This center of excellence emphasizes result-oriented, non-surgical aesthetic treatments. We offer the latest procedures for reducing flaws, tightening, and clarifying skin. We use advanced technology from the world's leading laser manufacturers to produce superior results for hair removal, skin rejuvenation, stretch mark and cellulite reduction, and body shaping. Additionally, the Clearskin Institute staff has been training and certifying physicians, nurses, laser technician
