

Coleman Douglas Pearls

By Appointment Only, Vox Studios, V312
London SE11 5JH
United Kingdom

Phone: 2073733369

Coleman Douglas Pearls is an international pearl jewellery brand, founded by pearl specialist and designer, Chrissie Douglas. She follows in her ancestor's footsteps who were pearl specialists in Aberdeen since 1863. We have a large selection of natural pearls and cultured pearls from South Sea and Tahitian to Akoya pearls and Freshwater pearls. Our designs are hand-crafted in our atelier in London, with responsibly sourced pearls and conflict-free diamonds.
