

Nottingham Metalworks

4 Marlborough Road, Woodthorpe
Nottingham, Nottinghamshire NG5 4FG
United Kingdom

Phone: 1156476611

At Nottingham Metalwork we provide a number of metal fabrication services using MIG & TIG welding techniques to manufacture and install a variety of metal items. These include metal and wrought iron gates, including metal framed composite or timber driveway gates - made to measure. We make and install metal railings, hand rails and manufacture Juliet balconies. We can fabricate metal indoor and outdoor furniture and decorative items including bespoke bird feeders, fire pits, pergolas and art pieces. If you require a bespoke metalwork item, please get in touch.
