UShops is an importer and distributor of cosmetic supplies. Founded in 2017, the company strives to bridge the gap between the Korean medical beauty industry and the B2B-B2C Canadian market via its high-quality K-beauty line. Within this collection are trendy eye, hair, and skin care products marketed by UShops to address varying conditions, like dark circles, hair breakage, wrinkles, and fine lines. They are natural and clinically proven to achieve the desired results.
