Welcome to City Events & Productions, your premier partner for corporate event excellence. Focused on precision and innovation, we specialise in conferences, town hall meetings, hybrid and face-to-face gatherings, seminars, brand activations, awards, exhibitions, AV supplies, live streaming, stage platform rental, and video productions. With an unwavering dedication to precision and a pledge to innovation, we excel in delivering a diverse array of services designed to cater to all your event requirements. From internationally attended conferences to exclusive VIP experiences, we provide comprehensive event production capabilities and a white glove service befitting these significant occasions. As a complete creative event and

video production company based in Manchester, United Kingdom, we boast over two decades of devoted service. Our team brings a wealth of experience to the forefront, having successfully curated and executed a myriad of events, from intimate gatherings to large-scale corporate affairs. Our commitment to excellence permeates every detail, ensuring your events not only meet but surpass your expectations.
