Start your day on a high note at Mews: a welcoming breakfast destination in Brisbane's Howard Smith Wharves. Enjoy a produce-driven menu that changes with the seasons, all in a vibrant yet relaxed atmosphere. Join us in this charming neighbourhood spot where breakfast and brunch are more than just a meal. Whether you prefer a hearty morning meal or a lighter fare, Mews offers a diverse range of choices from traditional favourites to fun and flavourful creations. A nourishing and flavourful breakfast awaits. Serving Coffee Supreme fresh from their local Brisbane roastery, seasonal juices, smoothies and breakfast cocktails, our beverages are complemented by a series of delectable dishes. Think housemade focaccia with

stracciatella, roasted tomatoes and chilli fried egg, or honey and coconut chia pudding with fresh seasonal fruit. On the weekend, Mews has extended your favourite meal of the day into an all-day brunch offering, including signature dishes of apple crumble French toast and eggs benny with a Moreton Bay bug. We're also serving Taittinger by the glass, sparkling mimosas and signature cocktails such as our spiked iced tea, perfectly accompanied by the warm smiles from our friendly team. Through collaborating with independent local growers, Mews has developed sustainably focused menus that celebrate the beauty of ingredients.
