Having specialised in selling new and used Ford cars and vans for almost 25 years, we understand the importance of every aspect of buying a car and our aim is to make the process an enjoyable experience from start to finish. Our expertise in the used car market is unbeatable; our experience and know-how of everything from finance to valuation means that we are able to provide the perfect peace of mind you need when you're on the hunt for a pre-loved car. If you would rather choose from our new Ford cars for sale, this same level of trust and expertise is offered, ~~plus the huge level of choice you would expect from picking a vehicle direct from~~

the forecourt. Whether you're looking for a practical urban vehicle like the Ford Focus, a rapid hot-hatchback in the Focus ST or even a Ford Motability vehicle to offer enhanced mobility for those with disability, visit one of our dealerships today and let our expert team take care of all your requirements. It's not just cars we have available; with the wealth of used and new Ford vans and trucks we have at our dealerships, we can help create your commercial fleet. We can provide you with everything from the highly-rated Ford Transit Custom to the practical and nimble Transit Courier at our Poole and Yeovil Transit Centres – whatever van is right for your business, whatever the size. All the new Ford van models we have available can be yours on finance packages of up to five years with competitive rates, meaning you can spread the cost to make it as affordable as possible. As an approved dealer of Ford vans at Yeovil and Poole, it means that every one of our guests can have complete peace of mind when purchasing their new vehicle. To learn more, pop into one of our dealerships today and speak with our expert team.
