WA Barnes independently owned since 1932 specialise in all aspects of property whether you are selling or letting. When it comes to property, WA Barnes offer a wide variety of services to suit your needs including traditional estate agency, residential letting agents, property management, and are even specialists in property auctioneering. WA Barnes also have a dedicated commercial department for the sale and/or lease of commercial properties. To compliment these services, both partners Nigel Carnall and Tom Smith are fully qualified RICS chartered surveyors and can offer a wide range of expertise when it comes to property and offer a full survey service including full house buyers reports and help to buy valuations.
