Shop 6/1975-1985 Camden Valley Wy
Prestons, New South Wales 2170
Australia

Phone: 0298250807

White & Bright Family Dental in Prestons is committed to providing high-quality service and comfortable dental treatments. We will do everything possible to make your visit quick, pleasant and worry-free. During your first visit, we will take x-rays of your teeth and mouth. Thoroughly examine and clean your teeth and Check for cavities, tooth decay, and gum disease. Perform oral cancer and soft tissue exam. Together, you and your dentist will discuss your x-rays, teeth and any questions or concerns. We can also schedule future appointments for your convenience. It is recommended that you see your dentist at least every six months.
