

1st Plasteright

2 Townshend Road
Chislehurst, Kent BR7 6HP

1st Plasteright, based in Chislehurst, offers top-quality plastering, rendering, and plaster-boarding services. With over 30 years of experience, the team is committed to delivering outstanding workmanship for both domestic and commercial clients. They are certified by British Gypsum, ensuring their work meets high industry standards. Our services range from traditional plastering to modern rendering techniques, addressing issues like damp and mould while providing elegant finishes for homes and commercial spaces. Website:
