

Soft Strip Demolition

24b (2nd Floor), Notting Hill Gate
London, Greater London W11 3LB
United Kingdom

Phone: 02086291213

At Soft Strip Demolition, we specialize in delivering safe, efficient, and clean internal strip-out services across Greater London and the surrounding areas. We undertake projects across a wide range of property types — including residential buildings, commercial premises, retail units, and industrial sites. Our experienced team adheres to strict health and safety protocols, ensuring minimal disruption to your site, occupants, or neighbors. From initial site preparation and detailed risk assessments to full waste removal and site clearance — we manage every stage of the process with professionalism and care. Website:
