

Visualise Training and Consultancy

299 Lansdowne Road
Cardiff CF5 1JR
United Kingdom

Phone: 07472305268

Visualise Training and Consultancy, founded in 2014 by Daniel Williams, offers expert services in accessibility, inclusion, and equality for individuals with visual or hearing impairments. Their offerings include specialist workplace assessments that promote independence at work and a variety of training courses—both online and face-to-face—designed to enhance awareness and understanding of sensory loss among employees.
