GL Hair UK – The Home of Premium Hair ExtensionsGL Hair is the UK’s leading supplier of luxury hair extensions, trusted by thousands of salons and mobile hair extensionists nationwide. Known as the industry’s best-kept secret, GL Hair is the choice behind many celebrities' flawless looks – offering unmatched quality, consistency, and value. Renowned for our signature Pure Range, GL Hair stands out for delivering 100% cuticle-correct, ethically sourced human hair that blends seamlessly and lasts beautifully. Our extensions are soft, thick from root to tip, and remain tangle-free for months – making them a favourite for professional stylists who

demand nothing but the best for their clients. What sets GL Hair apart from other suppliers is our direct sourcing. We are one of the UK's longest-standing hair extension companies and work exclusively with trusted partners at the source – ensuring complete control over quality, traceability, and ethical standards. Unlike many brands who white-label and repackage generic hair, we supply directly from our own long-term contracts, giving you superior hair at the best possible price. With fast UK delivery, expert support, and a reputation built on trust and transparency, GL Hair has become the go-to supplier for professional hairdressers and mobile specialists. Whether you're a salon looking to expand your extension services or a freelance stylist wanting premium hair your clients will love, GL Hair delivers every time. From tape-ins and wefts to nanos and bonds, our extensive range has something for every technique and style. Plus, with ongoing education and dedicated customer service, we're here to help you grow your business with confidence. Join the thousands of professionals who already trust GL Hair for premium quality, unbeatable value, and long-lasting results.
