

The BrainWave Clinic

116 Harley St
London, Greater London W1G 7JL
United Kingdom

Phone: +44 20 7730 8508

The Brainwave Clinic in London specializes in Repetitive Transcranial Magnetic Stimulation (rTMS) therapy, offering a non-invasive, drug-free solution for chronic pain, fibromyalgia, and Ehlers-Danlos Syndrome (EDS). By using targeted magnetic pulses, our rTMS therapy resets pain pathways in the brain, effectively reducing discomfort and enhancing overall quality of life. Safe, proven, and tailored to individual needs, our clinic is dedicated to helping clients achieve lasting relief. Contact us today to schedule a consultation and take the first step toward a pain-free life. Website:
