Yorkshire Dental Suite Leeds is your local private cosmetic dental clinic specialising in life changing treatments. From full mouth dental implants and composite bonding to porcelain veneers and dental crowns, YDS Leeds puts affordable dental treatments near you. YDS is the best cosmetic dentist in Leeds with 5 stars from over 3000 Google reviews, the highest rating on the CQC and award winning dentists. This means you can be confident when investing in your smile with Yorkshire Dental Suite Leeds. Dental Implants: YDS Leeds specialise in dental implants. From replacing a single tooth and filling gaps between teeth with a dental implant bridge, to full mouth dental implants that replace all of your teeth to give you a perfect, straight and ultra white smile. Gain confidence, speak better and enjoy biting into your favourite foods pain-free with dental implants and YDS Leeds. Composite Bonding: YDS has created Nanofill Composite Bonding®, a revolutionary new procedure that provides many of the benefits of traditional veneers but at a lower price-point. You will still achieve the beautiful, brilliantly white and straight celebrity smile but without needing to modify your teeth. Composite veneers are not as durable as porcelain but are significantly cheaper. Getting composite bonding is a pain-free experience needing no surgery, no drilling, no filing, no sedation or numbing, making this treatment ideal if you want the look
