Training Bytesize Australia

Suite 6, Evandale Place, 142 Bundall Road, Bundall, QLD, 4217

United Kingdom

Phone: 61 7 3014 0346

Training Bytesize Australia is a premier family-owned provider of professional project and programme management training, specialising in accredited courses including PRINCE2 and AgilePM. With roots dating back to the 1990s, our organisation has consistently pioneered innovative learning solutions, including developing the world's first accredited e-learning courses for several internationally recognised certifications.Led by second-generation leadership, we pride ourselves on delivering exceptional customer service with a personalised approach rarely found in the training industry. Our expert trainers bring extensive practical experience to every course, ensuring participants receive relevant, industry-leading instruction that immediately translates to workplace success.What distinguishes

Training Bytesize is our flexible delivery methods—offering on-site, online, and virtual classroom options—and our commitment to small class sizes that optimise learning outcomes. This adaptability allows us to create customised training solutions for both individuals and organisations across Australia.
Trusted by prominent clients nationwide, we maintain impressive exam success rates and client retention. Our dedication to understanding each client's unique requirements ensures training that perfectly aligns with organisational goals and individual learning preferences.Choose Training Bytesize Australia for a training experience that combines the personal attention of a family business with the resources and expertise of an industry leader.Website:
