L-N Solar is the dedicated renewable energy division of L-N Electrical Services Ltd, a trusted name in the electrical industry with over 20 years of experience. Based in Hull, we are proud to serve homeowners and businesses throughout Hull and East Yorkshire, helping them transition to a cleaner, greener future through the power of solar energy. As an MCS-accredited solar panel installation company, we bring technical expertise, industry certification, and a deep commitment to customer satisfaction to every project we undertake. We understand that no two properties are alike. That's why we provide fully bespoke solar energy solutions tailored to your unique energy needs and budget. From initial consultation through to

installation and ongoing support, our goal is to make your move to renewable

energy as seamless and beneficial as possible. Whether you're a homeowner looking to cut energy bills or a business aiming to reduce your carbon footprint, L-N Solar offers practical, efficient systems designed to deliver real value. Website: <https://l-nsolar.co.uk>/Phone Number: 01482 426674
