We take pride in offering a comprehensive range of healthcare services tailored to meet your needs. From travel vaccinations and ear wax removal to weight management and period delay treatments, our clinics are designed to support your well-being at every stage of life. Our Pharmacy First initiative provides quick, same-day care for common conditions, with no need to wait for a GP appointment. You can access trusted health solutions in a warm and welcoming environment with us. When it comes to travel, we understand that every trip is different. Our travel clinic services are customised based on your itinerary, health status, and

destination. We provide immunisations for diseases like Yellow Fever, Hepatitis A

and B, Japanese Encephalitis, and many more. Our team is trained to assess your risk and recommend the right vaccines and timelines, ensuring you're well protected before departure. Booking is simple through our online system, and we're here to answer any questions. As a local independent pharmacy group, we aim to make healthcare accessible and personal. We proudly serve Sunderland and Seaham with a free prescription delivery service, flexible appointment options, and a strong commitment to your health. Whether you need support managing medications, advice on preventing illness, or vaccinations for international travel, we're here for you every step of the way. At Sunderland Travel Clinic, your health truly is our priority. Website:
