Adams & Sons Breakdown Recovery is your local, dependable partner when it comes to getting you back on the road quickly and safely. Serving Basingstoke, Winchester, Salisbury and Southampton, we provide a full range of professional breakdown and recovery services for drivers in need. Whether you're stuck at the roadside with a flat tyre, facing a dead battery in a car park, or in need of full vehicle recovery after a mechanical failure, our experienced team is just a phone call away. With years of experience in the industry, Adams & Sons has built a reputation for being prompt, efficient and trustworthy. We know that vehicle trouble can strike without warning, which is why we offer a reliable, 24/7 breakdown

assistance service designed to minimise stress and get you moving again. Our skilled mechanics carry out roadside repairs whenever possible, meaning many common faults can be fixed on the spot without the need for towing. For those occasions when a repair isn't possible at the roadside, our fleet of fully equipped tow trucks is ready to handle everything from small cars to light commercial vehicles. We provide safe and secure towing services to your home, garage, or a destination of your choice across Hampshire and Wiltshire. Our vehicle recovery service is ideal for breakdowns, accidents, and non-starting vehicles, and we pride ourselves on taking the utmost care when loading and transporting your vehicle. Adams & Sons Breakdown Recovery understands how inconvenient a breakdown can be, which is why we offer more than just towing. If you've suffered a flat tyre or your battery has gone flat, our team can attend promptly and carry out the necessary replacements or jump-starts to get you moving. No job is too small, and we treat every callout with urgency and respect, regardless of whether you're a stranded commuter or a local business vehicle in need of recovery.
