At Hestia Housekeeping, we're a family-run cleaning company rooted in Stourbridge and the surrounding West Midlands, committed to treating every client's home as if it were our own. Our hand-picked team is DBS-vetted, fully employed, insured and rigorously trained, so you can feel completely at ease when we collect your keys and get to work. With clear, upfront pricing—our most-popular three-hour visit costs just £54—and a secure online booking system, keeping your home spotless couldn't be simpler. We pride ourselves on reliability, friendliness and the high standards that have earned us glowing five-star reviews from local homeowners. Every visit is tailored around you. We follow a thorough checklist covering kitchens, bathrooms,

living areas and bedrooms, and you can bolt on extras such as oven deep-cleans, fridge or cupboard refreshes, wardrobe decluttering, and limescale treatments whenever you need them. While we don't attempt high-ladder tasks or professional carpet extraction, our focus on the day-to-day details—dusting, polishing, laundry folding and more—means you come home to a space that feels fresh, organised and ready to enjoy. Let us handle the housekeeping, so you can reclaim your time and relax in a beautifully maintained home, week in and week out. Website: <https://hestiahousekeeping.co.uk> Phone number: 07438 545 668
