

Options 4 Surfaces Ltd

Unit 1, Fletcher Street, Elan House, Long Eaton, Nottingham, NG10 1JU

United Kingdom

Options 4 Surfaces specialises in high-quality surface applications, with expertise in microcement and modern external renders. Based in the East Midlands, we provide outstanding craftsmanship and quality, tailored to your requirements. Transform the look of your kitchen, bathroom, walls and floors with our range of microcement finishes. This versatile material offers a seamless, durable and waterproof solution for any space. Our experienced team will work closely with you to understand your vision and deliver stunning results that will exceed your expectations. For external walls we provide high quality silicone rendering services that not only enhance the appearance of your property but also provide excellent protection against

weathering and water damage. We use market leading products to ensure long

lasting and flawless finishes. Contact us today to discuss your rendering needs and receive a free, no-obligation quote. Let us help you transform your space with our expert services and premium finishes!
