Karate, Martial Arts Self Defence, Kung Fu, and Martial Arts Fitness Grand Master Hassan has worked very hard to revamp the Pinnacle Martial Arts curriculum, travelling around the world, gaining knowledge about the latest Martial Arts training techniques, methods, and drills, and then carefully selecting the most effective, fun, practical, and modern way of teaching. We have adopted and combined these Martial Arts training techniques, methods, and disciplines to complement each other, thus creating the fast, powerful, mobile, fun, exciting, and dynamic Pinnacle progressive Martial Arts style.
