

AirCon-Men Cleaning

40 Nicklin St
Coorparoo, QLD 4151
Australia

Phone: 0493625993

AirCon-Men Cleaning stands as Brisbane's leading air conditioning cleaning specialist, transforming indoor environments through professional sanitisation services that eliminate up to 99.9% of germs while reducing energy consumption by 22%. Our skilled technicians use advanced techniques and non-toxic cleaning agents to deeply clean split systems, ducted units, and commercial installations across all Brisbane areas. What sets us apart is our comprehensive approach-going beyond surface cleaning to tackle fan barrels, coils, and drip trays, while applying a 12-month mould deterrent solution. With same-day service availability, transparent pricing, and multi-unit discounts, we deliver affordable excellence without compromising quality for residential, commercial, and industrial clients.
